Dear Mr. Coburn:

Thank you for the meeting of December 20, 2016 with your executive committee for the proposed York Rural Community project.

I am pleased to inform you officially that I have directed staff to begin your feasibility study with the inclusion of the Local Service Districts (LSD) of Kingsclear, Keswick Ridge, Douglas, Bright and Queensbury. Your project will potentially bring together approximately 10,000 people and \$750-million in tax base.

Mr. Shawn Robichaud, Community Restructuring Analyst, will be your operational contact for the project and study; he can be reached at Shawn.Robichaud@gnb.ca or by phone at (506) 444-4423.

I wish you the best of luck as you progress through the project and I will be watching the evolution and results with great interest.

Sincerely,

Hon. Serge Rousselle, Q.C.
Minister of Environment and Local Government
